REV. ROBERT A. WELLS . . . Notes Anniversary

Narbonne Avenue Baptist Church To Observe Double Anniversary

The Narbonne Avenue Baptist Church of Lomita will mark a double anniversary on Sunday. It is the 15th anniversary of the church and the 9th anniversary of the Pastor Robert A. Wells. The church began in a rented building on Lomita Blvd., with 13 members. The church has grown to a membership of over 1000.

The pastor came to the Lomita congregation in 1950. There were just over 200 members of the church meeting in the single building on Narbonne Avenue at 248th Street. The building space has grown from 1800 to 18,000 square feet of floor space in this nine years.

THE DAY WILL also serve as a time to break ground for a new building to be known as the children's building. Nearly 10,000 square feet of floor space will be added to the present church plant. Construction is planned for the early part of 1960. Recognition will be made of the charter mem-

bers of the church. A time of fellowship has been planned to follow the 11 a.m. worship service. The church family and friends have been invited to bring their lunch and stay for the brief ground breaking. A ribbon will be tied to the ground breaking shovel, so that all those present will have a part in turning the first shovel of dirt.

THE NARBONNE Avenue Baptist Church of Lomita began a Visitation Clinic on Wednesday. This clinic is a church wide visitor training program. More than 500 prospects were found in the community census that was taken recently. This census covered about half of the Lomita-Harbor City area. The Clinic will continue through December 17 with a night of visitation on that date. Pastor Wells will speak at the 8:30 and 10:50 services on the subject, "To God Be the Glory."

"This anniversary message is to mark the mission of this church. We have seen what God can do when his people follow where he leads. I am, however, more concerned with what God can do in the future because I plan to spend my time there. God is a jealous God and will share his glory with no one. What God hath done is good to behold. Let the glory be given to him," Mr. Wells stated.
